

Wisconsin Workforce Housing News

WHEDA Legislative Loan Program

La Crosse - 8.10.2026 - Each year WHEDA offers a series of loans for housing development in the State. The links in this article will take you to the “Spring Programs” which have concluded -- but fear not a Fall Program is pending and WWHNews.com will make the links to the new programs available in a future issue. This data will give you a headstart for the next round of funding. We will also publish the winners for this round soon and I encourage you to take a look at the winning applications to get ideas for your community moving forward. For assistance, please contact Rebecca Giroux, Community and Economic Development Officer for WHEDA. Her email is rebecca.giroux@wheda.com and her cell phone is 608.487.6225 or your regional contact found here: [Community and Economic Development | WHEDA](#).

Legislative Loans Links:

On each product’s page you will find supplemental information such as the loan checklist (helpful to developers), governmental guide sheets, income limits, sample applications, etc:

Workforce Housing Loan Package:

- From this main page, you can click on the previous funding rounds and also select the page for each program:
